YOUR SAFETY IS OUR PRIORITY!

With hygiene and safety procedures firmly in place, Turyaa Chennai is ready to welcome you back with a warm heart and world-class hospitality. The protective measures taken at the hotel were set upon recommendations by WHO along with the Government of India. Paying attention to every detail, the hotel staff have created an elaborative video to help guests feel safe and comfortable.

A THOUGHTFUL MESSAGE FROM A QUEST

“This was a wonderful holiday and we were so lucky to have had the opportunity to visit the country. The trip wetted our appetite for a return journey when circumstances permit. We can really recommend Aitken Spence as locally based journey organizers, they could not have been more helpful in accommodating our itinerary and our driver/guide was excellent.”

David and Mary, U.K.

#WORLDCEANDAY: CORAL REPLANTATION

In commemoration of World Ocean Day and as a part of a mission to save the lungs of our planet, Heritage Aarah and Adaaran Resorts successfully completed yet another sustainability project which involved replanting coral reefs threatened by climate change.
